

Organizing committee :

President:

Riadh HENTATI, Chairman of SEACNVS (Tunisia)

Members:

Mohamed CHOURA (ENIS- Tunisia)
Fethi CHERIF (SEACNVS- Tunisia)
Anna CSITI (CEDA-Netherland)
Khadija LELGITI (CEDA-AFRICA, Morocco)
Anouar KHELIFA (OMMP- Tunisia)
Hayet ZINELABIDINE (MEHAT- Tunisia)
Mohamed KHEMAKHEM (AIT- Tunisia)
Mehrez KHEMAKHEM (AIT- Tunisia)
Kamel MAALOUL (FSS- Tunisia)
Noomane HAOUEL (MARITEC- Tunisia)
Nédia TRABELSI (MEHAT- Tunisia)
Ramzi HALOUANI (SEACNVS Tunisia)
Ismail BACHTARZI (MEDITRAM-Algeria)
Wenane OULD HAMEDHA (P.A Nouadhibou Mauritania)
Amadaou Kane (C.T.P.A Dakar- Senegal)

Scientific committee :

Presidents:

El Houssain YOUZALEN (CEDA-AFRICA)
Mohamed CHOURA (CEDA- Tunisia)
Ismail BACHTARZI (CEDA-Algeria)

Members:

Najat CHAOUQ (CEDA-AFRICA)
Nor-Edine ABRIAK (France)
Fethi CHERIF (Tunisia)
Zoubeir LAFHAJ (France)
Mahmoud MOUSSA (Tunisia)
Khaled MEDHIOUB (Tunisia)
Habib AYADI (Tunisia)
Mohamed BACH TARZI (Algeria)
Abdelhamid BOUALEM (Algeria)
Zourarah BENDAHHOU (Morocco)
Auraura DELGADO LOPEZ (Spain)
Jacques BOURGOIS (France)
Albert KOFLER (France)
Thierry VERDEL (France, Egypt)
Hanan TAYBI (Spain)
Mohamed SERBAJI (Tunisia)

Objectives:

The objectives of these days are:

- To update knowledge in the fields of dredging and coastal engineering.
- To allow exchange of ideas between specialists in the field.
- To support comparison of analyses and experiments between researchers and entrepreneurs to connect clients, companies and researchers.
- To present new techniques and materials, as well as available documentation (booths).
- To disseminate data on pedagogical activities, research and training concerning dredging and coastal and maritime engineering.

Key dates

June 25, 2010: Deadline for contribution submission (summarized communications according to the model)

July 10, 2010: Release of the committee's evaluation of contributions

July 31, 2010: remission of contributions proofread

August 21, 2009: release of preliminary programme

*International Seminar
« Dredging, Dredging Product &
Sustainable Development »*

Tunisia-Hammamet : 22-23-24 October 2010

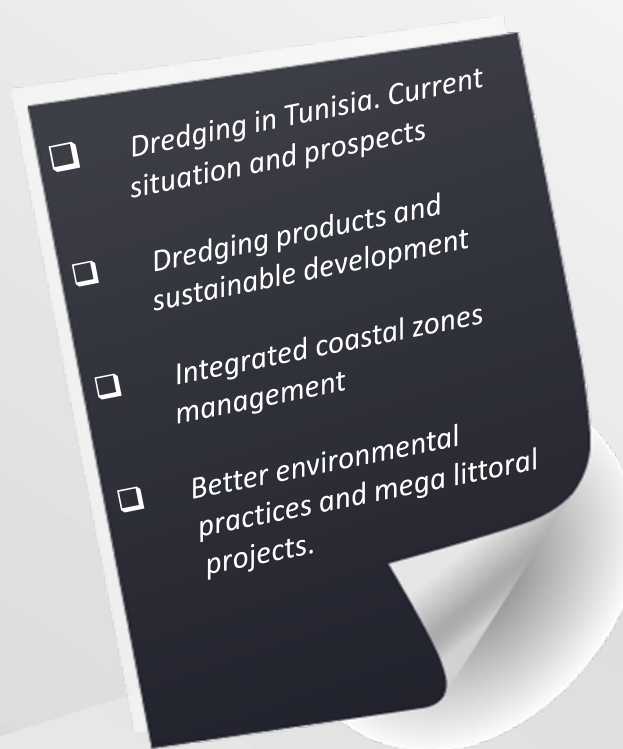

CHICHKHAN Hotel Hammamet

The International Seminar on "**Dredging, Dredging Product & Sustainable Development**" subscribe to the continuity of the activities of the Tunisian section CEDA-Tunisia, but with a more marked openness on companies in different countries. The organization of these days is carried out jointly with the Association of Innovation and Technology.

The seminar is organized over a period of three days including two plenary days (oral presentations and posters) intersected by one day dedicated to the technical visits relating to great projects of coastal and maritime engineering and devoted to round tables or workshops (creation of networks, research projects, collaboration between firms and between academies).

For detailed information about the participation to the seminar, please go to the website: www.jip3d.org

Fees transfer is to be addressed to the account of the Association of Innovation and Technology **BIC CODE** : BIATTNTTSFX
IBAN AND RIB CODE :
TN59 0880 4000 3420 0334 7741

Initial program

October 21

2:00 pm – 6:00 pm: Registration to the days
8:00 pm: Welcome party

October 22

8:00 am – 9:30 am: Subscription
9:30 am: Official opening
short opening speeches
10:00 am – **11:00am: Plenary conferences**
11:00 am – 11:30 am :Coffee break
11:30 am – 1:00 pm: **Session 1**
1:00 pm – 3:00 pm: Lunch
3:00 pm – 5:00 pm: **Session 2**
5:00 pm – 5:30 pm: Coffee break
5:30 pm – 7:00 pm: **Session 3**

October 23

9:00 am – 11:00 am: **Plenary conferences**
11:00 am – 1130 am: Coffee break
11:30 am – 1 pm: **Session 4**
1 pm – 3 pm: Lunch
3 pm – 7 pm: **Technical Visits**

October 24

9:00 am – 11:00 am: **Workshop**
11:00 am – 11:30 am: coffee break
11:30 am – 1:00 pm: **Days closure / assessment**
1:00 pm – 3:00 pm: Lunch

Call for communications

The communications are to be submitted by **June 25, 2010** to the following e-mail:

contact@jip3d.org

The scientific committee's experts reply concerning the evaluation of the communications are to be delivered by July 10, 2010.

The authors should send the final draft of their accepted manuscripts by July 31, 2010.

Workshops:

- 1/ Hydro-sedimentary Modeling and portuary agitation
- 2/ Soft techniques for coast protection and beach reclamation.
- 3/ Coastal assessment and monitoring tools/instruments
