

YOUNG CEDA tour:

Meet Royal IHC

Thursday October 20th
15:00 – 18:30 Royal IHC

Royal IHC
Smitweg 6
2961 AW Kinderdijk

What

Royal IHC is building the megacutter 'Helios' for Boskalis and three LNG powered hopper dredgers for DEME . Young CEDA invites you for a guided tour to meet the people of IHC, to visit the shipyard in Kinderdijk where one of the LNG hoppers is on the slipway and lost but not least, to meet Helios!

Who

This is a free event open to anyone interested in learning more about the dredging and marine construction industry. As Young CEDA we particularly encourage students in the field dredging and maritime engineering to join!
